Welcome

Dindimo Secondary School is one among the five secondary schools owned by the Evangelical Lutheran Church of Tanzania, Pare Diocese. It was founded in 1982 and has been expanding ever since. A majority of students that have attended the Dindimo Secondary school have moved on into A-level education and on to college or even university. Due to the location of the school, alongside Shengana Forest, Ndurmo water falls and big Gonja Bombo Hospital, it offers students the very best environment.

Head of School

Learning and teaching facilities

In order to achieve the academic excellence with high academic standards, the school has classrooms, computer cabinets for teaching students on how to use computers, a laboratory for science studies and a library with plenty of books.

Motto

We give our students not just assistance, we give them motivation, drive and hunger for academic excellence.

Mission

We provide students with an excellent quality of education to enable them to develop their skills for their own improvement.
