Welcome

Dear Children, Parents and Friends,
Manka Secondary School is a private school owned by the Lutheran Church Pare Diocese. It is registered for both boarding and day scholars and is a co-educational school. In spite of being a church school, it accepts pupils from different faiths all over Tanzania. Manka Secondary School is in Pare Mountains in Same District at Manka village 40km from Same town. The environment is fantastic for academics. The water is plentiful and there are very few mosquitoes.

Head of School

Learning and teaching facilities

In order to achieve the academic excellence with high academic standards, the school has classrooms, a computer cabinet for teaching students on how to use the computers, a laboratory for science studies and a library with plenty of books.

Motto

We give our students not just assistance, we give them motivation, drive and hunger for academic excellence.

Mission

We provide students with an excellent quality of education to enable them to develop their skills for their own improvement.

Vision

The aim of the school is to become an exemplary education institution. Promoting student capabilities with an overall view to build a society that can manage its resources in its immediate environment.

Education leads to success.
